## Temperance Talk Given On Sunday

Mrs. Grevelt of Calgary, a member of the Post War Planning Committee gave a very interesting address on "Temperance" last Sunday at the Presbyterian Church.

In addressing the gathering, Mrs. Grevelt said "that unless liquor and its evils were controlled it would destroy the church, therefore the church should lead in bringing the evil influence of liquor to a 'hiding place' and righteousness mean a world free from the evils of alcoholism."

She then outlined the "new spirit" of the Alberta Temperance Federation. These are: (1) to unite the churches and other organizations so that they could work together to form a "better world free from liquor."

(2) To allow every province and territory to legislate as they wish.

(3) To keep "house" consumption at a minimum.

(4) To restrict alcoholism by education, organization and legislation.

## HUSSAR NEWS

(By Our Correspondent)

A beautiful shower was held on Wednesday the 24th, in honor of Miss Ivey Riches, at the home of Mrs. L. Clark with Mrs. Tracy and Mrs. MacIntosh assisting hostesses. Weather being perfect, there was a large crowd present. An interesting gift was presented by Mrs. MacIntosh, with Mrs. Nichols of Calgary the winner. A beautiful and dainty lunch was served by the hostess.

Then the bride to be assisted by her mother Mrs. Riches, of Arrowwood and her sister Mrs. House, and the Misses Seeley had the pleasure of opening the gifts which were brought in in a beautiful decorated basket by the young people.

Raynora Law, Darline Tracy, and Ronald Trend. Miss Riches received many beautiful and useful gifts. Miss Riches is a teacher in the Fairview District and will become the bride of Mr. Robert Seeley in December.

On Monday Nov. 19th, a double shower was held at the home of Mrs. H. Trend in honor of the Misses Helen and Phyllis Stevens whose marriages are to take place on the 28th. The house was crowded with friends who had gathered to do honor to these young women. A dainty and delicious lunch was served by the hostesses, Mesdames W.R. and H. Trend afterwards the gifts were brought in by two beautifully decorated baskets and the Misses Stevens assisted by Miss Ruth and Mrs. D. Grant and Miss L. Snyder had the pleasure of opening them. The "Hospitality Committee" is one of the branches of the Auxiliary War Services in Calgary that helps to brighten the stay of men from British, Australia, and New Zealand while in Calgary.

During the past year these have had the pleasure of arranging for the placements of over 4000 who have enjoyed the hospitality of Calgary homes.

Many of the men from overseas have often requested chances to put in a week-end or longer leave on an Alberta farm or ranch.

With this in mind the Hospitality Committee, Y.M.C.A. of Calgary, are appealing for invitations. It is expected that men in the forces are about to receive Christmas and New Year's leave.

Those who are able to entertain men either over the holiday season or any week are asked to write to the committee—giving name, address, phone number, particulars as to transportation and number of guests invited.

The holiday season will soon be here, so please write in as soon as you can to the address above.

## COAL PRICES INCREASED 65 CENTS TON

DRUMHELLER OPERATORS ALLOWED MAXIMUM INCREASE

The prices board announced Tuesday that increases ranging from 10 to 65 cents per ton for coal produced in Alberta.

Drumheller and Alberta have been authorized by E.J. Brunning its coal administrator.

The board said that the increased prices are the result of decisions reached by the royal commission which investigated the recent coal mining-labor dispute in those areas and have been determined as directed by the government.

The increases are subject to review at any time, but the order stipulates that they be reviewed not later than March 31, 1941.

Members of the Drumheller Coal Operator's Association may increase their prices by 65 cents a ton in lump and c&g coal shipped between December 31 and March 31 and after that date the increase will be 50 cents per ton.

THIS WEEK'S  
POEM

For every pain that we must bear  
For every sorrow every care,  
There is a reason,  
For every falsehood that is said,  
For every tear that is shed,  
There is a reason,  
For every grief, for every trial,  
For every weary lonely mile,  
There is a reason.  
But if we trust Him as we should  
'All will work out for our good,  
God knows the reason.

Ration Milk  
In Canada

Prices paid officials announced  
that evaporated milk will be rationed  
in designated areas across Cana-  
da this week.

The rationing is to insure sup-  
plies of evaporated milk for child-  
ren and hospitals in areas where the  
fluid milk supply is low. In the  
designated areas evaporated milk  
will be available for holders of 'O'  
ration coupons obtainable for child-  
ren under two, prospectors and hos-  
pitals and anyone using evaporated  
milk under doctors orders.

The designated areas will be an-  
nounced by each local ration board

We don't know whether we should

the war increased 35.6 per cent.

There were 63,075 convictions in  
1943 and 63,313 in 1942. The worst  
of it is of course that juvenile delin-  
quency has jumped up badly, way

years twice as fast as during the  
peace time period.

It may not be generally known

the Stability Board, a branch of the

The subsidy is also payable to fish-

It also may be granted to as-

No Change In  
Butter Rationing

Despite lower production between  
now and next spring, butter ration-  
ing will continue throughout the  
winter at the present rate of one-  
half a pound per person per week.  
The announcement was made by  
the Wartime Prices and Trade  
Board.

Householders in many parts of  
the country will be relieved as the  
situation had caused considerable  
alarm.

Due to the diversion of milk to  
fluid milk markets, as well as to  
the manufacture of cheese, the trend  
of butter production was unfavor-  
able in October.

Disappearance of butter last  
month reached the highest point  
since butter rationing started last  
December.
